This Jack Henriques designed Tournament Sportfisherman is fast beautiful and extremely well laid out. The hull design is derived from the time-proven, soft, dry-riding 38' Henriques, which has won many top tournaments.

Boasting a wealth of standard features, this semi-custom sportfisherman allows you the ability to create an interior to please the most demanding decorator or one to satisfy the basic needs of a charter captain. Inside and out, we would be pleased to assist you in a custom layout that's right for you. And best of all, at a surprisingly affordable price!

With Henriques' 26 years of boat building excellence, the 35' Flybridge is a rough water sportfisherman built to chase the big ones.
